

# WELCOME

We're glad you've decided to study Advanced Functional Materials at TU Chemnitz! To help you get off to a smooth start with your studies at TUC, we invite you to join our orientation week from October 6. to October 10.

This flyer contains all the important information about the orientation phase. If needed, you can find more details on our website – <http://www.tu-chemnitz.de/fsr-chemie>

## ABOUT US

We are the FSR (Student Representatives) for Chemistry and are responsible for all Chemistry and AFM Students. We are also “just” students who have been elected to the FSR by you.

We organize upcoming events such as ice skating in the winter, the traditional “Feuerzangenbowle”, as well as barbecues and game nights...

We are your point of contact for problems questions and ideas and we act as a link between you and the professors. Additionally, we send student representatives to key committees such as the StuRa (Student Council) or the University Senate to help shape university policy.

## WHAT YOU SHOULD BRING

- To register at the library, buy food in the cafeteria and use public transportation for free, you'll need to bring your **TUC Card** and your **activated Deutschlandsemesterticket**.
- For registration at the **University Computer Center (URZ)**, you'll also need your **data control sheet**.
- To top up your cafeteria account, you'll need **cash in banknotes**. The machine accepts 5-, 10-, 20-, 50-, Euro!
- But most importantly–don't forget to bring a good mood!

# IMPORTANT INFORMATION ABOUT YOUR STUDIES

- In any case, you should have already taken a look at your class schedule:  
<http://www.tu-chemnitz.de/verwaltung/vlvz/>
- A wide variety of sports courses are also offered at TUC. These require a small fee and usually cost between 15 and 25 Euro for the entire semester. You can find an overview of the available courses on the University Sports homepage:  
<http://www.tu-chemnitz.de/usz/>  
Before registering for a course, you should make sure that you don't have any lectures or laboratory courses.
- The university also offers a wide range of opportunities for musically inclined students. If you're interested in joining the university choir, orchestra or big band, you can find more information on the following pages:  
<https://www.tu-chemnitz.de/tu/unichor/>  
<http://www.tu-chemnitz.de/tu/cm/>  
<http://www.tu-chemnitz.de/tu/unibigband/>
