## Magister Sprachpraxis courses running out

Dear Magister students,

Due the introduction of the Master's Program, we will be forced to cut down on the Magister courses offered in future semesters. As already indicated in the current KoVo (WS 09/10), **IAS, Grammar II, and Translation II will not be offered after SS 2010 anymore, i.e., the last two semesters in which you can earn these *Scheine* are WS 2009/10 and SS 2010.**

What is more, it is likely that **Essay Writing and OWP cannot be offered in SS 2010** but will be offered one last time in WS 2010/11. Therefore, you are all advised to take care of any *Sprachpraxis Scheine* you still need **now**, i.e., in WS 09/10.

**This also implies for any students (*Hauptfach* and *Nebenfach!*) who haven't passed their *Zwischenprüfung* yet that they will only be able to finish their studies if they pass their *Zwischenprüfung* at the end of this semester (WS 09/10).**
