Direct access to your personal data and resources you may gain over the [IdM Portal](#). Among others, you can execute the following actions there:

→ [Activate your Account](#)

At the beginning of your studies you receive a data record sheet („Datenkontrollblatt“) at the student's office. This sheet contains your matriculation number, personal data, and a **service code**. This code is relevant for activating your account.

→ [Changing the Password](#)

You should be the only person knowing your password. Do not write it down anywhere, learn it by heart. Log out or lock your screen when leaving the PC you're working at. In case you think, someone may have gained knowledge about your password, change it as soon as possible.

Welcome to CSN

New in the dorm?

If you already have your account at the university computer centre and a tenancy agreement with the Studentenwerk, you can register directly for internet access in CSN.

[Register now!](#)

bureaucracy: enrolment

1. register with the city
2. get a German bank account
3. get Health Insurance (or confirmation)
4. pay the semester contribution (currently € 322,50)
5. enrolment at the Student Service (Admission Office)

when registering, let them know the number of your shared flat and your room number

For more information please see our checklist!

bureaucracy: language requirements

According to Regulations on Enrolment, English-speaking degree programs require a certain level of German language skills after the students' first academic year at TU Chemnitz. Also for German-speaking degree programs you might have to proof a certain level of German language skills during your studies.

Carefully check the German language requirements applying to your degree program at the beginning of your studies in order to comply with them!

Do not forget to take German language courses in order to achieve the language level required!

German vs English

Housing on Campus

leasing contract and rules of the house:

- garbage separation  
- clean your furniture
- Pay contribution for TV, radio and internet
- keep consumption of water, electricity and heating to a minimum

The „Lost and Found“ office is located in the office of the Mensa-Team

Housing off Campus

What you should consider and carefully check with your landlord:

- deposit (,Kaution‘): amount, conditions of refund
- cancellation period of rent contracts (approx. 3 months) and minimum duration
- composition of monthly rent:
 - ,Kaltmiete‘ → rent for the flat/room
 - ,Warmmiete‘ → includes additional expenses for water, central heating, waist disposal, etc.
 - + electricity
 - re-calculation and refund OR back payment once a year
 - + Internet/telephone

ARD ZDF Beitragsservice – German Broadcast Contribution for using Internet/Radio/TV

- funding of public broadcasting stations in Germany & secures independence of media
- embedded within German law („Rundfunkbeitragsstaatsvertrag“)
- every household in Germany has to pay € 18.36 per month independent of possible devices or usage of these services
- possibility of splitting licence fee within shared apartments
 - therefore it's important to specify the number of your shared flat and your room during registration
- in case problems or questions arise contact the Student Council (internat@stura.tu-chemnitz.de) or Studentenwerk (international@swcz.de)

Deutschlandradio

BEITRAGSSERVICE

How to keep your additional expenses to a minimum:

- save water during dish-washing, showering, teeth-brushing
- do not crack the windows while heating is on – instead open them completely for 5 min
- turn off heating (or turn it to a minimum) before you leave your flat
- keep the doors in the flat closed and just heat some of the rooms
- do not leave the lights on when you leave the room/flat
- Internet/telephone – check your contract (,flat'-options)

further important information

Please do not ignore any bill.

- If you do not know what you are asked to pay for, ask your landlord, a friend, or students and advisors at TU Chemnitz.
- Any bills should be officially issued, i.e. if you receive bills via SMS, E-Mail, telephone or similar, check whether it is an official bill.

Usually, you do not have to sign a contract/ join an organisation if you do not wish to.

- Especially at the doors of your flat or in the city center you might be asked to donate money, etc. There is no obligation to do so!
