## GUIDELINES

### NOMINATION AND APPLICATION PROCESS

- A sending institution nominates its students via online nomination form: **for a study stay** <https://forms.office.com/e/Vi7PwtsZzp>

**for a traineeship** <https://forms.office.com/e/Bw3wv0MMhL>

- Application instructions will be e-mailed to all nominated students along with the access to the online application.
- Both sending and receiving institution approve the Learning Agreement (LA) and Student Application (SA).
- Students will receive the acceptance documentation 2-1 months before the beginning of the stay.

### VISA AND RESIDENCE PERMITS

- Please, be aware that visa administration process in the Czech Republic can take more than 60 days after submitting the required documentation to the embassy/consulate. Thus, kindly instruct your students to start all necessary steps well in advance. Also, please arrange the approval of the LA on your side without a delay.
- More information about residence permits and visas can be found on our **website**.

### STUDENT ACCOMMODATION

- Students apply for an accommodation at the CU Dormitories when submitting an online application.
- The double rooms are a standard. The capacity of single rooms is very limited and can be considered based on special reasons (health issues mostly). It is required to send a request addressed to the European Office along with the relevant documents approving such a need.
- For more information about the CU Dormitories check out the **website**.

### LANGUAGE REQUIREMENTS

- The standard language proficiency required is English, B2. Please be aware that some faculties and programs require higher level of English and they might ask for a language certificate. For more information please check out the **website**.

### STAFF MOBILITY

- Both, academic and non-academic staff members, who are interested in a teaching visit/training should contact either **faculty coordinators** at the relevant faculty or the European Office at [marketa.betkova@ruk.cuni.cz](mailto:marketa.betkova@ruk.cuni.cz).

## INTENSIVE CZECH LANGUAGE COURSE

- To give students the opportunity to learn the basics of Czech language, the CU organizes an Intensive Czech Language Course open for all incoming Erasmus+ students. The course takes place 3 weeks before the beginning of each semester in an online/in-person form. Students are informed about the course well in advance.

## STUDENT LIFE

- Charles University offers a wide range of opportunities to be involved in its student life. For Erasmus+ students, there are **ESN CU Prague** and the **Buddy Program**. Both associations help to adapt in the new university environment and to explore Czech culture. All students are also welcomed to join **Student Clubs** at different faculties or the **CU Chorus and Orchestra**.

## STUDENT AND STAFF SUPPORT

- Charles University provides a wide range of support for students with special needs. The main unit responsible for assistance in this regard is the **Carolina Centre**. Please feel free to contact its team of professional advisers for information about possible adjustments. The Carolina Centre also offers **psychological counselling** for all students and staff.
