HOTEL: The rooms are booked according to the individual arrival and departure dates at the [Hotel an der Oper](#), Str. der Nationen 56, 09111 Chemnitz, Germany. In case you got a grant, do not pay - it will be done by the organizers.

GET-TOGETHER on Day 3 (Nov. 16th), 19:00

We plan to have dinner in [Restaurant Paradise](#), Brückenstr. 17, Stadthalle Chemnitz / Terminal 3, 09111 Chemnitz, Germany. Please, note that it will be à la carte on your own account.

COVID-19: At TU Chemnitz and in hotels the so-called “**3G rule**” on COVID-19 applies, i.e. public spaces are only open to those that are vaccinated, recovered (max. 6 months), or tested (24h for the antigen test, 48h for the PCR test). There are several nearby [test stations](#). Due to the worsening epidemic situation, on Nov. 8th the government of Saxony issued a new regulation saying that at the restaurants the so-called “**2G rule**” applies, i.e. they are only open to those that are vaccinated or recovered (max. 6 months). Overall, it is obligatory to wear the FFP2 mask inside; if the recommended distance of at least 1.5 meters cannot be guaranteed, then also outside. Private gatherings in public or private are allowed with no more than 10 persons, excluded those that are vaccinated or recovered (max. 6 months). If new more restrictive regulations are issued, we shall inform you immediately.

REIMBURSEMENT: Travel cost for those who got a grant can be reimbursed. Please, fill in the attached form and send it with original tickets and receipts to **Imke Leyk, Technische Universität Chemnitz, Internationales Universitätszentrum, 09107 Chemnitz, Germany** just after you come home. It is IMPORTANT to fill in the German version, the English one is just a translation for your convenience, do not use it. If you have questions on that, please write to imke.leyk@iuz.tu-chemnitz.de.

LUNCH: The venue is at the city center, so there are some good restaurants for having lunch nearby. Just go along the Straße der Nationen (called StraNa in Chemnitz dialect) in the direction of downtown. Here are some of them we suggest to try:

- Michaelis Kaffeehaus & Restaurant (German food)
- VAPIANO Chemnitz (Italian food)
- La bouchée (French food)
- Wenzel Chemnitz (Czech food)
- El-Mina Bistro (Libanese food)
- Heck-Art (German food)
- Phan & Vū (Vietnamese food)
- Tillmann's Restaurant (International food)
- Hong Kong City Chemnitz (Chinese food)

Insider tip: You find good coffee and snacks in BackWerk at the Main Railway Station of Chemnitz, just some 100 meters away from the venue.
