

# INTERNATIONAL CONFERENCE

UNIVERSITY OF TECHNOLOGY  
IN THE EUROPEAN CAPITAL OF CULTURE  
CHEMNITZ

## Spotlight on Language Teaching: Digital Feedback in Research and Practice

### CONFERENCE THEME

Digital feedback includes a wide range of possible realizations, such as feedback in text editors, cloud documents, forums, wikis, chats and other social media, surveys, polls, mails, automated writing evaluation, multimodal feedback in video conferences as well as recorded audio, video and screencast feedback (Schluer, 2022).

### THEMATIC SECTIONS

Including, but not limited to:

- ✓ technology-mediated feedback in different modalities
- ✓ technology-generated (automated) feedback
- ✓ digital feedback literacy development among pre- and in-service teachers
- ✓ learner engagement through participatory, interactional feedback approaches

### IMPORTANT DATES

**March 15, 2023**

Abstract  
Submission  
Deadline

**May-June, 2023**

Registration  
Period

**June 29-30, 2023**

Conference  
Date

**Autumn 2023**

Full Paper  
Submission  
Deadline

### WORKSHOPS

Teachers, students and academics can learn about digital feedback, e.g. via video or social media. Follow-up workshops will be scheduled.

### LOCATION

Hybrid: online & in Chemnitz:

Lecture Hall Orangerie  
Reichenhainer Str. 90  
09126 Chemnitz

Organized by

**TESOL Team TU Chemnitz**  
**Jun.-Prof. Dr. Jennifer Schluer**
