Due to the replacement bus service (rail-substitute transport) between Bayreuth and Nuremberg there is it advisable to take the direct SEV bus from Nuremberg to Bayreuth. From the north the train continues to Bayreuth. A taxi from the station to the event will cost between €12-18.

**Accommodation:**

All participants are accommodated in the B&B Hotel in the city. We will pass the hotel on the way to the restaurant in the evening. Each individual then pays their own bill and gets reimbursed through the POPULAR project as for previous project meetings via sending the Chemnitz Dienstreiseabrechnung to Ms Ivonne Schreiber or billing Chemnitz University.

In case there are any more questions, please let me or Christina Gräbner know. She is helping to organise the event on the Bayreuth side ([sekretariat.herzig@uni-bayreuth.de](mailto:sekretariat.herzig@uni-bayreuth.de)).
