

Order Conditions, Registration

For registration as participant, speaker or exhibitor please use the conference webpage www.WSE10.de.

Registration is binding! Please note that in the event you choose to withdraw, a non-refundable handling charge of EUR 100,00 will be deducted prior issuing the refund. Refunds will only be issued until 30 days prior to the start date of the event.

If needed the event registration can be changed to a substitute attendee. In this case no cancellation fees or extra costs occur. If the substitute participant does not meet the same discount requirements as the registered participant the difference will be charged or credited.

All changes must be given to the Chemnitz University of Technology in text format. If you have any questions, please contact us via e-mail (secretary@wse10.de).
