

Mittwoch, 01.06.2022, 13:00 Uhr

- Scientific discussion -

Prof. Dr. Iztok Arčon

University of Nova Gorica, Slovenia

**Monitoring of chemical processes at the atomic level
by X-ray absorption spectrometry using extremely
bright synchrotron radiation sources**

and

Prof. Dr. Dr. h.c. Dietrich R. T. Zahn

University of Technology Chemnitz, Germany

**Spectroscopic Characterisation of Low-dimensional
Materials**
