

1. No enrolment is possible without presentation of a proof of a valid health insurance. Each candidate has to contact the responsible statutory health insurance in order to get a certification of health insurance. The certification of health insurance has to be submitted along with the documents for enrolment to the university. The health insurance issues a certification to the candidate stating if
- he or she is insured or
  - he or she is not subject to compulsory health insurance

**Attention:** A proof of adherence or certification of a private health insurance is not sufficient! The certification of statutory health insurance shall look like the following:

<p><b>Certification of health insurance</b></p> <p>This certification has to be submitted along with the documents for enrolment to the university.</p> <p style="text-align: right;">Date</p> <p><b>Information about the health insurance</b> Name Address Registration number of the health insurance company</p> <p><b>Information about the insured person</b> Surname, name, Date of birth Street, house number Zipcode, city of residence Insurance registration number</p> <p>Above mentioned person</p> <p>( ) is insured by our insurance</p> <p>( ) is not subject to compulsory health insurance.</p>
