

Application Procedure

Application via uni-assist, Proof of Language Proficiency, Deadlines, Contacts

Admission Procedure

Important note

Chemnitz University of Technology does not cooperate with commercial agencies in Germany and abroad that place applicants at Chemnitz University of Technology. Information about the application process at our university can be found below.

The following applicants have to apply via uni-assist e.V.:

The following applicants have to apply via uni-assist e.V.:

- Foreign applicants without German high school diploma (applicants with foreign education background, but not for applicants as an exchange student/ Erasmus)
- Foreign applicants with a foreign Bachelor's or Master's degree (not for applicants as an exchange student/ Erasmus)
- Foreign applicants with completed entrance examination test (FSP) from a Studienkolleg in Germany without former admission letter from Chemnitz University of Technology

Please visit the uni-assist webpage regarding information about the way of your application:

<https://www.uni-assist.de/en/>

The following applicants does NOT need to apply via uni-assist, they can use the online application from the Chemnitz University of Technology homepage:

- Applicants of German nationality with foreign high school diploma or foreign university degree
- Applicants with completed entrance examination test (FSP) from Studienkolleg Sachsen in Germany with former admission letter from Chemnitz University of Technology
- Applicants with a European Baccalaureate (decision KMK from 14.06.2018)
- Applicants with a German university degree
- Applicants who finished the preparatory German language course at Chemnitz University of Technology with DSH II and former preparatory course admission letter from our university

- Applicants for an exchange programme or outside such a programme (exchange student/ Erasmus)
- Applicants for study course change within the university
- Applicants for doctoral degree programme

Information on the Dialogue-Oriented Service Procedure (DoSV) at Hochschulstart:

For the following degree programmes (1st semester) at first you have to apply via the dialogue-oriented service procedure (DoSV) on Hochschulstart.de:

- State Examination for Education Studies
- Bachelor Media Communication
- Bachelor Psychology

Register first at Hochschulstart.de. You will get a BID and a BAN number. You will need this BID and BAN number to apply via the uni-assist application portal. For detailed information about DoSV, please visit the homepage of <https://hochschulstart.de>.

Application documents that must be submitted to uni-assist

- proof of high school diploma certificate including transcripts in original language, with copy of translation into German or English language
- proof of successfully completed university entrance examination (not for all countries)
- if available, other proofs of successfully completed university studies at the home country (duration of studies, transcripts, acquired degrees), with original attested copies of translations in German or English language
- original APS-certificate or digital verifiable document (only for Chinese, Vietnamese or Indian applicants)
- proof of sport ability test (only if you apply for the Bachelor's degree in Prevention, Rehabilitation and Fitness Sport)
- proof of German language proof if your native language is not German (Please note the exceptions under „ Proof of German Proficiency - English taught programmes“)
- you can also apply with your provisional certificate or last year transcript

An application via uni-assist is possible for the summer semester from **1st October** and for the winter semester from **1st April**. You can apply for a maximum of two desired study courses.

If all requirements and documents were checked, uni-assist will forward your documents to the university. All applicants who can prove that they have a university entrance qualification (HZB) receive a test report from uni-assist. This documents the determined HZB as well as the converted HZB grade. With the start of processing at the university you will receive an email about the further information of the procedure of your application. In case that the formal requirements are not fulfilled, you will receive a respective message from uni-assist. Please note that uni-assist does not send back any application documents submitted.

TestAS is a central, standardised ability assessment for studies. Please note that Chemnitz University of Technology does not issue TestAS-certificates. You may take TestAS-examinations at the following assessment centers.

Admission deadlines

- summer term: until January 15th
- winter term: until July 15th

Uni-assist need to receive all application documents until the deadline. Please try to start your application at uni-assist as early as possible so that you can be informed at short notice if your documents are complete. Subsequent documents must be submitted by 15th January (summer semester) / 15th July (winter semester), otherwise the application will be rejected.

Costs and Payment

Please inform yourself at the uni-assist homepage about the costs for your application

<https://www.uni-assist.de/en/how-to-apply/pay-all-fees/>

Assessment Test (“Feststellungsprüfung”)

In the case that your foreign high school diploma is not equivalent to the German high school diploma you have to complete a Studienkolleg in Germany (“Feststellungsprüfung- FSP”) before beginning university studies. In a Studienkolleg you will be prepared for studying at a German university. The preparatory year ends with the FSP, which, in combination with your foreign school diploma, entitles you to study in Germany. You can find the information if you have to attend a Studienkolleg at the following link:

<https://anabin.kmk.org/anabin.html>

The preparatory course and the assessment test are not administered by Chemnitz University of Technology, but by Studienkolleg Sachsen in Leipzig. Students who want to get an admission to Studienkolleg need to show an original certified copy of the German language certificate of status B1 (e.g. DSH I, TestDaF 3/3/3/3, Goethe Institut B1 etc.). For admission to Studienkolleg we also accept language proofs of private institutions.

Language Skills

German taught degree programmes

Proof of German Proficiency is required for students applying for German taught programmes. As proof of German proficiency for direct admission, the following certificates are accepted:

- DSH-2, DSH-3
- TestDaF: level 4 in all 4 examinations parts
