Welcome to Technische Universität Chemnitz!

TECHNISCHE UNIVERSITÄT CHEMNITZ

Opening of the 9th AAE Summer School

31.08.2015

In the heart of Europe

180-years jubilee in 2016

Innovation by tradition

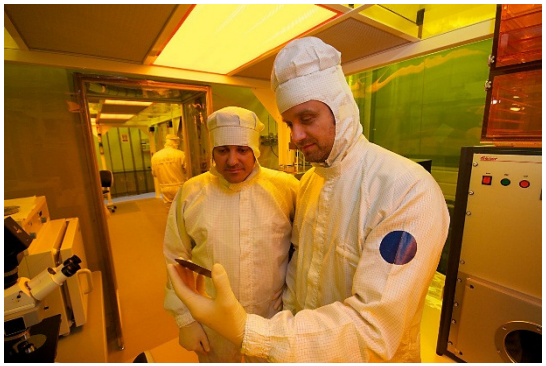

Intensive networking

Internationality

Outstanding research

State-of-the-art infrastructure

Bright professional perspectives

Extramural research partners

Close connections to industry

MERGE
Building

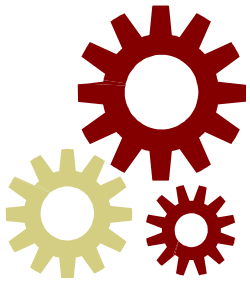

Natural Sciences

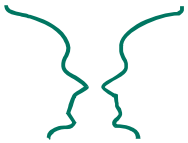

Mathematics

Mechanical Engineering

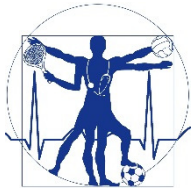

Humanities

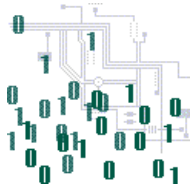

8 faculties

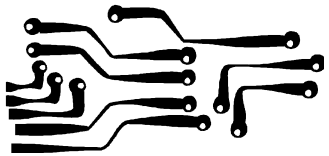

Behavioral and Social Sciences

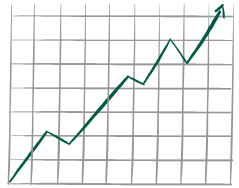

Computer Science

Electrical Engineering and Information Technology

Economics and Business Administration

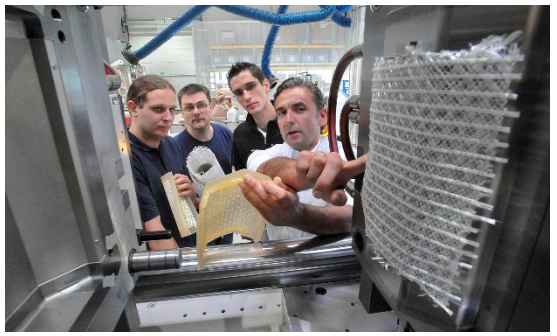

11.652 students

2.135 international students from more than 70 countries

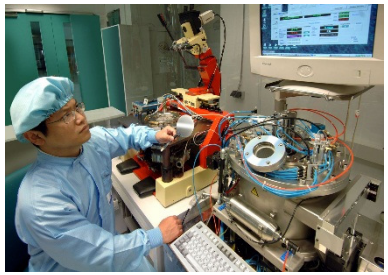

Scientific staff: 1.431 (> 850 third-party-funded positions)

Facts & Figures

>170 professors and research assistants from abroad

156 professorships

Sensors & Cognitive Psychology

Media Communication

Electromobility

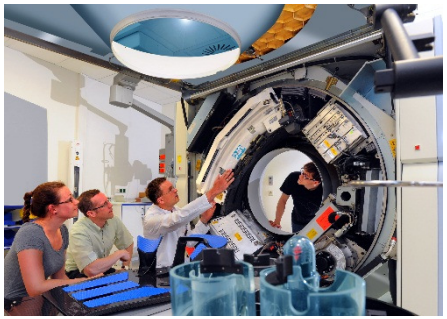

Interdisciplinary degree programs

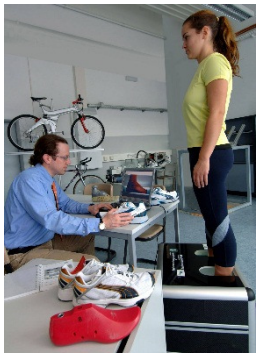

Automotive Software Engineering

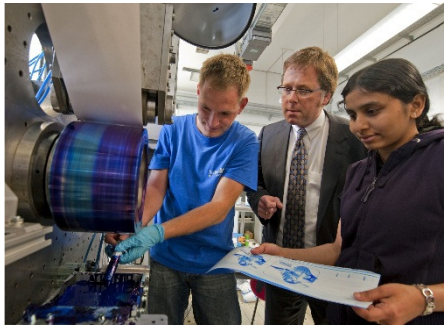

Medical Engineering

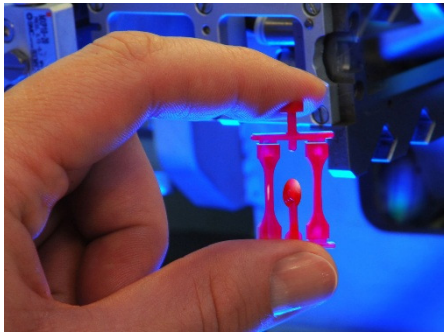

Sports Engineering

Print & Media Technology

Micro- and Nanosystems

Automotive Software Engineering

Web Engineering

Web Engineering

Merge Technologies for Resource Efficiency

MERGE
Cluster of Excellence

Double-degree and English-speaking programs

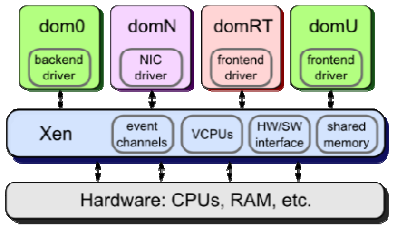

Production Systems

Information & Communication Systems

Embedded Systems

Advanced Functional Materials

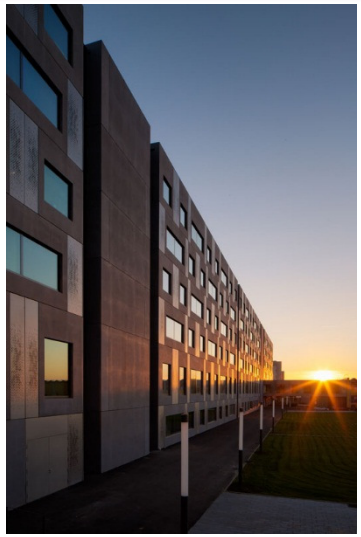

Modern Campus

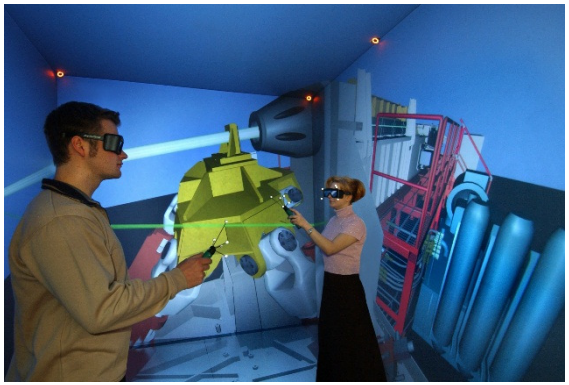

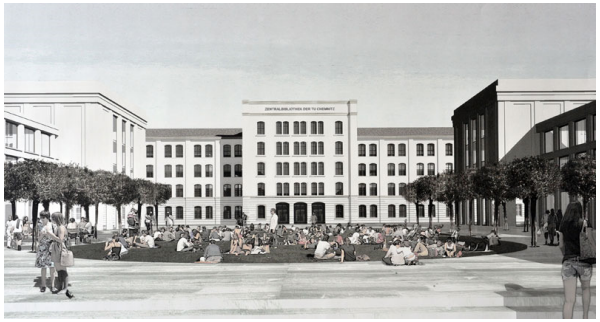

High-standard dormitories

Hightech laboratories

State-of-the-art infrastructure

New central library (planning draft 2013)

High-performance IT

University of KwaZuluNatal

- Since 2006
- Focus on Economics and Business Administration
- Cooperation i.a. within the AAE Summer School

University of the Witwatersrand

- Since 2006
- Focus on Economics and Business Administration
- Cooperation i.a. within the AAE Summer School

Partner universities from South Africa

University of Stellenbosch

- Since 2010
- Focus on Mechanical Engineering
- Jointly with Fraunhofer-Institute for Machine Tools and Forming Technology
- Also member of the AC21-network

North West University

- Since 2015
- Focus on Humanities

- **Tasks and services of the International Office**
  - **Advising and assisting international students and scientists**
  - **Supporting the international activities of the faculties**
  - **Welcoming international delegations**
  - **Arranging and elaborating cooperation agreements with international partners**
  - **Organizing own third-party-funded projects to promote and intensify the internationalization process at TUC**
  - **Being the first contact concerning all questions of international relations**
