

## Teamwork

The purpose of this form is to guarantee a fair evaluation of the group's activities. Teamwork with a set deadline is always threatened by the possibility of single team member's opportunistic behavior. In order to not support this unfair behavior, each student is to evaluate the other team member's percentage of the total work. **Do not evaluate yourself!**

Please summarize your contributions to the group project work (what you did) in the first part of the sheet, and evaluate the **contribution in percentage terms that each of your team mates** made to the group project work in the second part of the form.

You will not be allowed to make your presentation until we have received your evaluation form.
