Zfwn-Newsletter
www.mytuc.org/tjgh

With our newsletter we inform you about new courses and other interesting events, calls for applications or news from the field of science

Support services
for doctoral candidates and postdocs

Dear (prospective) doctoral candidates,
dear postdocs,

The Centre for Junior Scientists (Zfwn) is there for you as a university-wide consulting and qualification institution and we look forward to you taking advantage of our services. We offer comprehensive information and advice for prospective doctoral candidates, doctoral candidates and postdocs. At the same time, we offer you interdisciplinary training and networking opportunities that are specially tailored to junior researchers. Below you will find internal institutions that will be happy to support you during your doctoral and postdoc phase.

Your team at the Centre for Junior Scientists
