

TECHNISCHE UNIVERSITÄT CHEMNITZ

Position: Student Assistant

Duration: 3 months (with possible renewals)

Start Date: October (flexible)

Hours: 10 hours per week

At the Chair of Economics at the Technische Universität Chemnitz, we are seeking a motivated and talented student assistant to join our dynamic team. This is your chance to gain valuable experience, contribute to meaningful projects, and enhance your skills while working in a flexible and collaborative environment.

Responsibilities:

As a Student Assistant, you will:

- Conduct literature reviews to gather relevant research materials.
- Perform econometric analyses using R and/or Python.
- Analyze data and present findings in a clear and concise manner.
- Collaborate with our research team on various projects.
- Demonstrate time flexibility to accommodate your academic schedule.

Qualifications:

To be successful in this role, you should:

- Be a current student pursuing a degree in a related field (e.g., economics, data science).
- Have a strong interest in economic literature and econometric analysis.
- Be proficient in R and/or Python (experience with statistical packages is a plus).
- Possess excellent research and analytical skills.
- Communicate effectively and work well in a team.
- Be able to commit 10 hours per week to this role.

What We Offer:

As a Student Assistant at the Chair of Economics, you will:

- Gain hands-on experience in literature review and econometric analysis.
- Work on impactful research projects.
- Access valuable resources and mentorship from experienced professionals.
- Enjoy flexible working hours that accommodate your class schedule.
- Be part of a dynamic and inclusive team.

How to Apply:

If you are excited about this opportunity and meet the qualifications, we want to hear from you! Please submit your resume and a brief cover letter highlighting your relevant skills and experiences to paola.dorazio@wiwi.tu-chemnitz.de

Deadline for applications: 25.09.2023
