

10th GENED Annual Meeting

We are very pleased to announce that the **10th GENED (German Network for New Economic Dynamics)** meeting will take place in **Chemnitz (Chemnitz University of Technology)** this year. Please save the date: The conference will be **September 30 to October 2 2024**.

We welcome submissions on the topics related to new economic dynamics in the broadest sense: the development and application of computational models of economic dynamics based on interacting heterogeneous agents, including empirical contributions and applications of new methods in the context of economic dynamics.

Date: Monday, September 30th to Wednesday, October 2nd 2024

Venue: Altes Heizhaus, Chemnitz University of Technology

Website: <https://www.tu-chemnitz.de/wirtschaft/vwl2/gened24/index.php>

Tutorial by: Jean-Philippe Bouchaud (Capital Fund Management, Imperial College London, and École Normale Supérieure) on "Topics in complexity economics"

Abstract Submission: If you would like to present, please submit your extended abstract via email to gened2024@wiwi.tu-chemnitz.de by **August 1st 2024**.

We especially encourage submissions from women, people of colour, first generation students, and other under-represented groups in the field of economics.
